

GME Program Coordinator Excellence Award 2012

Clara J. Vigelette, A.A.S., C-TAGME

Neurology
University of Rochester School of Medicine and Dentistry
Rochester, NY

Nominators had this to say:

“Among Clara’s accomplishments are the following:

- Successfully directing and managing the academic and day to day operational activities of the adult neurology residency program for more than 25 years.
- Providing outstanding administrative support for five extremely successful RRC reviews, each of which resulted in continued accreditation with a five-year review cycle. The most recent review, conducted in July 2010, resulted in continued accreditation with a five-year review cycle, no citations and three commendations!
- Helping launch the child neurology residency training program and ACGME neurology fellowship programs in clinical neurophysiology, vascular neurology, neuromuscular medicine and sleep medicine.
- Training program coordinators in the Department of Neurology for child neurology and several fellowship programs.”

“Clara demonstrates excellent communication and interpersonal skills as she trains/educates the program coordinators for child neurology, clinical neurophysiology and neuromuscular medicine. In addition, she is the program coordinator for our sleep medicine and vascular neurology program and interacts well with those program directors and fellows.”
