

Site Visit Attestation Statement

The ACGME is conducting an accreditation or recognition site visit of the following Sponsoring Institution:

The purpose of this attestation is to ensure the privacy and confidentiality of the interview sessions. The signatories below affirm that, during an ACGME site visit, (1) Sponsoring Institution and program personnel will not (a) record any of the communications or save any chats or closed-captioned transcripts, and (b) will not allow any others to be present except those participants listed in the interview sessions schedule; and (2) Sponsoring Institution and program personnel included in the interview sessions have been informed of this non-recording and non-saving attestation.

The ACGME expects that Sponsoring Institution and program personnel, including residents and fellows, faculty members, and others, will be cooperative and candid with ACGME site visit personnel. The signatories affirm that Sponsoring Institution and program personnel will not retaliate in any way against anyone for participation in the site visit or for any statements made to the ACGME by any resident/fellow, faculty member, or other participant during the site visit or relating to the site visit.

The ACGME has assured the signatories that ACGME personnel will not record the site visit interview sessions and will not disclose the name of any resident/fellow (1) in any written Site Visit Report, or (2) in discussion or other communications with any Sponsoring Institution or program personnel, unless the resident/fellow consents to such disclosure.
