

## Process for Submission of Program Director Changes Review Committee for Radiology

Institutions and programs must submit requests for review of a program director change via the Accreditation Data System (ADS).

After submission of the request by an institutional or program representative with ADS login permission, the institution or program must submit a copy of the proposed program director's **full** curriculum vitae (CV) in addition to the abbreviated version submitted through ADS with the request.

The designated institutional official (DIO) must also submit a signed letter of support for the proposed program director.

Both the full CV and the letter of support signed by the DIO should be emailed to Accreditation Administrator Bianca Andino: [bandino@acgme.org](mailto:bandino@acgme.org).

The Review Committee will review the request and supplemental CV and support letter and provide a response to the request via ADS.

Direct questions about this process to Ms. Andino: [bandino@acgme.org](mailto:bandino@acgme.org).
